

CITATIONJET FLEET

CitationJet Fleet :

- CJ/ CJ1
- CJ2
- CJ3

iXAir CitationJet Fleet CJ / CJ1 / CJ2 / CJ3
Aircraft Specifications

In a CitationJet you'll be a mover, not a shaker. That's because the CitationJet flies at cruise speeds of up to 700 km/h, higher, faster, and unquestionably smoother than comparable turboprops. You'll avoid weather and traffic, while traveling in silky-smooth quiet.

The CitationJet's interior is a marvel of intelligent styling, craftsmanship and highly efficient use of space. From the cabin overhead design to details such as cabinetry, window shades and seats, the CitationJet interior configurations are designed to suit your needs.

CJ / CJ1

CJ/ CJ1

Crew	2
Passengers	5+1
Performance	
max. Range	2100 km
max. Speed	700 km/h
max. Altitude	12500 m

Dimensions

Normal Seating	5
Cabin Width	1.47 m
Cabin Length	3.35 m
Baggage Volume	1.55 m ³

Cabin Amenities

- Full Refreshment Center
- Aft Lavatory

CJ2

CJ2

Crew	2
Passengers	6+1
Performance	
max. Range	2600 km
max. Speed	790 km/h
max. Altitude	13700 m

Dimensions

Normal Seating	6
Cabin Width	1.47 m
Cabin Length	4.17 m
Baggage Volume	2.10 m ³

Cabin Amenities

- Full Refreshment Center
- Aft Lavatory

CJ3

CJ3

Crew	2
Passengers	7+1
Performance	
max. Range	3000 km
max. Speed	810 km/h
max. Altitude	13700 m

Dimensions

Normal Seating	7
Cabin Width	1.47 m
Cabin Length	4.77 m
Baggage Volume	2.10 m ³

Cabin Amenities

- Full Refreshment Center
- Aft Lavatory
